# HP 655 Notebook PC
Essential Mobility

## This value-priced laptop helps professionals get connected.[1] With a durable casing, the HP 655 provides an affordable, mobile notebook with AMD technology and multimedia tools.

HP recommends Windows® 7.

### Equipped to get the job done
The HP 655 combines a 15.6-inch diagonal HD[2] display with AMD technology and wireless capabilities such as Wi-Fi CERTIFIED™ WLAN.[1]

### Built for mobile use
From meetings down the hall or across town, rely on the durable casing that protects this notebook's matte charcoal finish. Don't sacrifice display size for portability. Carry the HP 655 from meeting to meeting and enjoy the great view on the 15.6-inch diagonal HD[2] display.

### Powered for business
Powered by VISION Technology from AMD, your notebook keeps up with your job's demanding tasks without blowing the budget.

Add powerful visuals and vibrant colors to reports, presentations and more, thanks to AMD's graphics capabilities.

Access the Internet and email at the office or your favorite hotspots, thanks to Wi-Fi CERTIFIED™ WLAN[1] that helps keep you connected.

### Extras polish the experience
From trainings to sales presentations, view high quality multimedia right from your notebook using the preinstalled software. The Altec Lansing speaker brings you an extraordinary listening experience, too.

Give presentations finesse when you connect to your larger, HD[2] displays through the HDMI port.[4]

# HP 655 Notebook PC

HP recommends Windows® 7.

# HP 655 Notebook PC

HP recommends Windows® 7.

1. Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
2. HD content required to view HD images.
3. Sold separately or as an optional feature.
4. HDMI cable sold separately.
5. Not all features are available in all editions of Windows 7. This system may require upgraded and/or separately purchased hardware to take full advantage of Windows 7 functionality. See microsoft.com/windows/windows-7 for details.
6. This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Multi-core processing with AMD technology is designed to improve performance of this system. Given the wide range of SW applications available, performance will vary. AMD's numbering is not a measurement of clock speed.
7. Maximum memory speed supported by the system may be 1333 MHz or 1066 MHz.
8. Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
9. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 19 GB (for Windows 7) of system disk is reserved for the system recovery software.
10. Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that DVD-RAM cannot read or write to 2.6GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.
11. Bluetooth™ 2.1 is available on Linux operating system.
12. Bluetooth™ 4.0 is available on Windows 7 operating system only.
13. Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite available at participating resellers/retailers and office.com
14. Internet access required. This product includes Norton software. First 60 days included. Subscription required for live updates afterward.
15. Computrace agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to five years. Service is limited, check with Absolute for availability outside the U.S.
16. HP Fast Charge recharges your primary battery up to 90% within 90 minutes when the system is off. Fast Charge does not apply to the 9-cell battery.
17. Service levels and response times for HP Care Packs may vary depending on your geographic location. Restrictions and limitations apply. Service starts at date of hardware purchase. For details, visit hp.com/go/lookuptool
